

# TODAY IS THE DAY FOR MY PEOPLE TO DECIDE

March 23<sup>rd</sup>

INTERNATIONAL DAY OF THE RIGHT TO SELF-DETERMINATION

## DECLARATION

### TO THE INTERNATIONAL COMMUNITY:

The 21st century must be the century of full exercise of the right to self-determination of all peoples, particularly of peoples today without a State. Today, on March 23<sup>rd</sup>, we celebrate for the first time the **International Day of the Right to Self-Determination**, a Day which we will continue to celebrate each year.

March 23<sup>rd</sup> is of equal importance to all peoples, because it is the anniversary of the entry into force of the *International Covenant on Civil and Political Rights* in 1976. Article 1.1 of the Covenant states that:

*All peoples have the right to self-determination. By virtue of this right they freely establish their political status and also provide for their economic, social and cultural development.*

By celebrating this Day, we promote the right to self-determination together and internationally in view to create a world in peace, where each people freely decide their own social and political path, respecting and cooperating with other peoples.

We invite you to join in the yearly celebration.
